

WASHINGTON METROPOLITAN AREA TRANSIT COMMISSION

WASHINGTON, D. C.

ORDER NO. 2302

IN THE MATTER OF:

Served January 4, 1982

Application of CAPITAL CITY COACH,)
INC., for Special Authorization to)
Perform Charter Operations Pursuant)
to Contract -- Nuclear Regulatory)
Commission)

Case No. CP-81-19

By application filed December 15, 1981, Capital City Coach, Inc. (CCC), seeks authorization to operate pursuant to WMATC Special Certificate of Public Convenience and Necessity No. 1 under a contract with the United States Nuclear Regulatory Commission (NRC), transporting NRC employees and persons traveling on official NRC business, together with mail, express and baggage, in the same vehicle with passengers, over irregular routes, between NRC facilities located at 5650 Nicholson Lane, Rockville, Md., and the Willste Building, 7915 Eastern Avenue, Silver Spring, Md.

Order No. 2295, served December 17, 1981, generally describes the evidence submitted with the application and that order is incorporated by reference herein. The Commission required publication of notice of the application and provided for the filing of protests, if any. Notice of the application was duly published and no protests were received by the Commission.

Commission Regulation No. 70 provides that the application will be granted if it is determined that the applicant is fit, willing and able properly to perform the proposed service and to conform to the provisions of the Compact and the rules, regulations and orders of the Commission thereunder, and if it is determined that the proposed operations conform to the provisions of Regulation No. 70. The issue of whether the public convenience and necessity require such service has been determined in Case No. MP-79-04. See Order No. 2004, served June 20, 1979.

Inasmuch as the contract is for a fixed term of at least 181 days and provides for the transportation of employees pursuant to a

contract with their employer, the Commission finds that this application conforms to the requirements of Commission Regulation No. 70. It is further found based on the evidence of record as described in Order No. 2295 that applicant is fit, willing and able properly to provide the service described above, and to conform to the requirements of the Compact and the rules, regulations and orders of the Commission thereunder. That application shall be granted.

IT IS SO ORDERED.

FOR THE COMMISSION:

WILLIAM H. MCGILVERY
Executive Director
